## CRESTED GEAR SHIFT KNOBS

An exclusive line of solid mahogany shift knobs for all 1968 and 1969 MG/Austin Healey Sports Cars is now available from your distributor.

The wood has been carefully selected and polished to match the HAC 915 woodrim steering wheel and each knob has an appropriate MG or Austin Healey emblem of vivid non-fading fired-enamel.

HAC 922	MGB and MGC)	
HAC 923	MG MIDGET )	\$3.75 ea. "D" Discount
HAC 924	SPRITE )	(40%)

Also available are attractive fired-enamel gearshift pattern plates. In compliance with the intent of the Federal Safety Standards, these plates should be fitted to vehicles when the original gear knob has been removed.

HAC 906	MGB and MGC )	\$1.95 ea. "D" Discount
HAC 907	SPRITE/MIDGET)	(40%)

Here is an opportunity to sell an exclusive line of high quality shift knobs to match your full-range woodrimmed steering wheel.

These knobs are available only from your Austin/MG Distributors.
