SUBJECT: Authorized Service Sign	MODELS: Austin/MG Franchise
------------------------------------------------	-------------------------------------------

We are pleased to advise you of the availability of a new plastic authorized Austin/MG service sign, which is attractively colored in red, white and blue.

These signs are readily available from your Distributor at a net price of \$5.75 each, plus handling if any, and we know you will wish to purchase one or more to be suitably displayed on your premises.

May we suggest that the sign is ideally suited to compliment your special tool board and no doubt you will wish to display one in that area.

Please direct your orders to your Distributor by quoting part number HAC 412.
