Immediately available through your Distributors' Parts Department is the attractive Austin MG approved authorized sign, part number HAC 412. The suggested net price of each, \$5.75 plus handling if any.

We recommend that you order a sufficient number of signs for display in the entrance of the Service Department, Service Reception area, Waiting Room, and over the tool boards.

Attached is a color brochure of all the available British Leyland Motors Inc. approved service signs.

It is requested that all dealers display proper Service Department identification in the franchises for which they are authorized.
