Re: Technical Service Bulletin Binders
Index For 1966

You have already received an additional Service Bulletin Binder, AKD 4119, from your distributor. This binder is intended to house Bulletins issued after January 1, 1967.

All Bulletins issued after this date will have a prefix number 2, which indicates Volume Two, e.g., 2 A 1, 2 A 2, etc.

Attached is a complete Index of Bulletins issued in 1965-1966. Please use this Index to check for any missing Bulletins, and, if necessary, order same from your distributor. This Index should then be filed at the front of your 1965/66 Bulletin Binder.
