Re-Designed Bulletin Paper

MODELS:

Austin/MG Division

To coincide with the formation of British Leyland Motors Inc. and its relocation to new and larger National Headquarters in Leonia, New Jersey, we have re-designed the heading of our Technical Service Bulletins.

The grouping sequence of this new format, which commences with this issue, remains the same, filing should be continued in your existing binder AKD 4119, following the last issue from British Motor Holdings Inc.
