BRITISH LEYLAND MOTORS INC.
600 Willow Tree Road • Leonia • New Jersey 07605

SUBJECT: Austin-MG Tool Board
Existing and Additional Section
DID 13 and DID 13/3

MODELS:
All Models

Protect your tool investment! Reduce loss and eliminate wasted time in searching.

We can now offer you at a tremendous saving, the additional section of the Austin-MG Tool Board to accept all of the new tools that have been supplied to you.

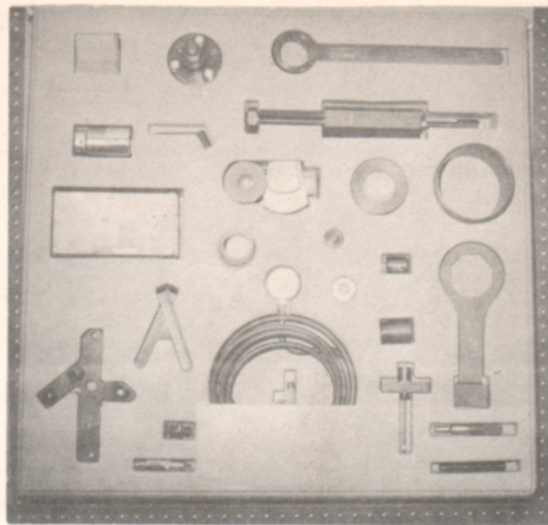

This additional section is made of the same material as the first two sections - superior high impact plastic and the tools are held in precisely moulded deep drawn cavities shaped to the dimension of each tool.

Attached you will find a photograph of the new section together with the original two sections.

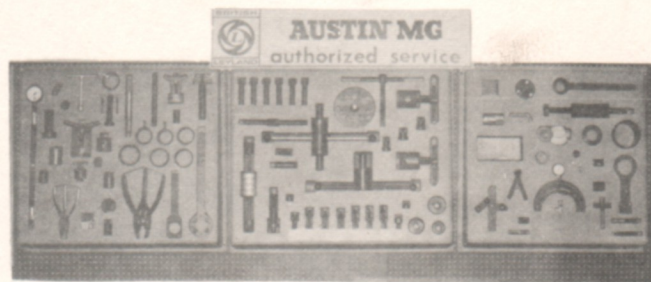

Any dealers not having the original sections should order the complete board: DID 13, \$74.00 dealer net (first two sections) and DID 13/3, \$45.20 dealer net (additional section).

A TOOL FOR TOOLS - another step in the continuing program of development and improvement of dealers. Don't be penny wise and pound foolish, you have the tools, now protect them.

Place your order for this Tool Board with your Distributor.

Additional Section - DID 13/3
\$45.20

Complete Board - DID 13 and DID 13/3
\$119.20
